2. Co-Chair Position- Vacant

We need a volunteer to serve as Co-Chair for Publications under the Sub-Committee of Conferences and Publications. We expect Chairs and Co-Chairs to be active, to plan and to reach their target goals once the members of the Subcommittees have been identified and they start working (as part also of the call of Claudina).

Please write Erik cc Jinky if you are interested in this position as it fits your expertise and experience.

We are excited to have our workplan soon (besides those identified in our Business Meeting in Dublin) as a scientific committee, and looking forward to working with all of you as a team! Thank you for all your active participation and support so far. Together we stand and influence.

Warm Regards, Erik and Jinky
