

MinOSH Communication No. 2021-56: Youtube Link for the ICOH MINOSH First Webinar: The Silica-Tuberculosis Link: Updating the Relationship and Prevention Practices

Dear MinOSH Members,

Greetings!

We had a successful and informative webinar last April 15, 2021 as the first of our MINOSH Webinar Series . Please see below the Youtube Link to our Webinar entitled, “The Silica-Tuberculosis Link: **Updating the Relationship and Prevention Practices**”.

Youtube Link-

https://www.youtube.com/watch?v=N6Tb4_1N87o

The topics are also shown below.

We plan to have our next Webinar tentatively on August 4, 2021 on “Mercury poisoning and prevention in small-scale gold mining”.

(Please be reminded to also check your Spam folder for any links to webinars from MINOSH as some emails may be forwarded to the Spam Folder.)

WE WARMLY WELCOME YOU TO ALSO BECOME A MEMBER OF MINOSH (Mining Occupational Safety and Health), Scientific Committee of ICOH- International Commission on Occupational Health. Please apply on MInosh website- <http://www.icoh-minosh.com/>

Thank you.

Truly yours,
Erik and Jinky

On MInosh, this is the link for the latest updates in our website regarding the next webinar.
